August 16, 2017

Dear Sensei:

Miladi Karate Academy will be hosting our annual *Shotokan Karate USA Fall Classic Tournament* and I wish to personally invite you and your students to participate in the tournament on *October 1st, 2017*.

The purpose of the Shotokan Karate USA Fall Classic Tournament is to promote Karate-do and its traditional style, bringing all Karate-ka together, no matter what their style affiliations may be. We will be featuring quality participation medals for all child competitors, rewarding all for excellent sportsmanship and diligence. Our desire is to provide a traditional tournament with licensed referees and judges, as well as a comfortable facility.

Our medical staff is fully trained from our local medical community. Each ring will be matted and fully staffed with trained personnel.

We think you and your students will enjoy the level of sportsmanship and competition. Please refer to the enclosed information for more details.

You will find many different flyers and forms in your tournament package. Please feel free to photocopy them as needed. We hope to see you there!

Sincerely,

Alex Miladi
